CSU Technology Metrics Questionnaire  
Student-Spring 2001-3/13/01-7/8/01

Good [morning, afternoon, evening,] may I please speak with [name inserted]? Hello, my name is __________ and I am calling from the SBRI Survey Lab at California State University, San Marcos. And I'm calling on behalf of the CSU Chancellor's office.

We are conducting a survey of CSU students, faculty, and staff on issues related to the availability and use of various technologies. The data from this survey will be used to help address the technological needs of the students, staff, and faculty in the CSU system.

<QCAMPVER> Are you still attending [CAMPUS]?

1. YES
2. NO [End Interview]

Let me assure you that your participation is voluntary, and that the answers you give will be kept strictly confidential. I also am required to let you know that this phone call may be monitored by my supervisor for quality control purposes. The interview should take about 15 minutes, and will include questions pertaining to use of technology in the classroom, use of on-line resources, administrative information systems, technical support and training. May we begin?

Global Questions

<TGLOB1> First I would like to ask you a series of questions about your perceptions and attitudes toward the computing and network resources available to you through your campus.

<QGLOB1> Using a scale of zero to ten, where zero equals not at all important and ten equals extremely important, how important would you say computing and network resources are to you in completing your school work?
